10 March 1958

THRU : Chief, Industrial Division, ORR  
Chief, Electrical Equipment Branch, ORR

Requirements for a Study on the Reorganization of the Soviet Electronics Industry, which are to be submitted to FDD and Air Information Division, IAI.

1. Attached are proposed drafts of requests for information for FDD, USSR Branch, General Economics Section and Industrial Section; and the Air Information Division IAI at the Library of Congress.
2. The results of these requirements will be used in the Electrical Equipment Branch for research project currently in progress.
3. Information in support of this research has been requested by 28 March 1958, with additional notification of information received during April and May. The responsible I/EE analyst has informally discussed the problems of this requirement with the FDD and AID personnel who will be directly concerned with this requirement.
